### FROM THE PRESIDENT'S CARRIAGE

Daylight Saving is finally here. I had such hopes for getting so much done at night with the extra daylight but between the weather and being sick and other stuff I had to do I have only driven once and that was on a Saturday.

Maybe the coming weeks will be a bit dryer although the weather forecast for the future weekend looks bleak. I am really looking forward to the Easter drive maybe we will be able to have it.

"Keep your hooves on the ground."  
Faith Bradshaw

### EDITOR'S NOTE:

I think I have everything back together after losing my hard drive a few weeks ago. I e-mailed the Membership directory to paid members, if you didn't get yours let me know and I will resend it. [tjhardy2@juno.com](mailto:tjhardy2@juno.com) We were able to rescue the files for the web site and it has been updated. I now have a new external hard drive and I now have the back up system backing up the RIGHT files. I apologize for the delay in getting information out since I had to reconstruct so many files. You might want to double check the information in the directory to make sure I didn't leave something out or get any addresses mixed up when I scanned in the last printed membership list I had.

It seems Mother Nature is working against us so far this year. We had to postpone our Valentine drive due to rain in February. We ended up cancelling our Runnin O the Green in March due to rain and now the CCC Scurry & Playday weekend in Laurenc SC that a few of us planned on attending March 28-29<sup>th</sup> also had to be cancelled due to rain! What ever happened to the law that King Arthur of Camelot decreed it will only rain or snow at night (or during the week!)

## CCC HDT

Today is opening day for entries to CCC HDT in beautiful Tryon. Why should you consider us? Well,

1. We have a great judge, Hardy Zanke and TD, Penny Nicely.
2. We will feed you supper after the course walk on Friday and lunch while waiting for scores on Sunday.
3. We will give you a free tack stall if you stable with us and we have nice permanent stabling with overhangs to cover your carriage.
4. We are one of the few Training level competitions in the SE.
5. We have ironed out all the hills from the VSE and Training level courses and as a one phase, you don't have to be super fit to come play.
6. We moved a week earlier to get out of the summer heat.
7. We are offering 2 clinics, a CDE 101 and a Hazard walking to help boost your confidence to compete.
8. All that, plus, we are a fun group who loves to play.

We hope to see a bunch of entries heading our way very soon.
