President's Letter

Hope everyone is getting ready for the Picnic on July 9th. Should be fun with lots of good food and friends.

If you weren't able to get to the June 12th drive at Paradox, you missed a great time. As usual, Nancy seems to have an inside track with "Mother Nature" and the weather was great. The Progressive Drive was a lot of fun and everyone seemed to have a good time.

It is beginning to look like the club is having a "mini" explosion, as we are having an increasing number of VSE's (Very Small Equines) participating in the drives. It's a lot of fun to drive these little powerhouses.

Be sure and stay safe during this hot weather and take care of yourselves and your animals.

See ya' at the Picnic

Tanglewood Picnic

July 9th

Continuous Drive @ Paradox

6/12/11

It was HOT & MUGGY, but everyone showed up on time for the course walk! We didn't have any flat tires or golf carts that died out on the trail this year during the course walk! Nancy had a short and long trail with 2 different cones courses and 2 obstacle courses. Chris Peckham & Chyenne and Tommy Cope & Hannah tied for first place, Polly Hixson and Charm were third and Tricia & Jeff Hardy and Precious were fourth. Thank you Nancy Faller and all the volunteers who braved the heat and humidity to make this event successful.

Condolences to Marilyn Colvin, on the loss of Dotty her 25 year old Walking Horse. Dotty was Marilyn's first horse. She was colicky Sunday morning 6/19 and Marilyn spent the whole day and evening with her and finally had her euthanized a little after midnight.

11/05 Hello Whips and Wheels fellow members, I have decided to see if there is any interest in the following pony carriages since we only have 15+hand horses. Some of these are not everyday drivers, but I don't know what members in the club may be looking for so I figured I would pass these on.

E-mail Larry for pics he included way to many for me to include. Larry DuPont ldup1@yadtel.net. I know the carriages are DUSTY, but they do clean up to a brilliant shine. I tried to buff a little area on each pic to show the finish under neath.

Luckily the interiors and upholstery is not dusty since its been covered in plastic for years.

The king george pony phaeton has the original seat, I just had a green one made up for display.

The French and Co Tp seat break has three or four cross bars or trees on a stand as well as the center pole.

Im thinking based on some numbers Bob Cook gave me last year that the Green Top Break wagon would fetch about \$19000 in todays market.

The King George is a rare piece I am told in pony size so in current condition about \$15000 ?

THere is a little red and black surry for ponies in good shape----\$2000?

Also I have a little Jerred sulky runabout that I had a local shop powder coat the wheels yellow and a place in OH installed hard rubber. I never got further in the restoration.

Let me know if any of this makes sense. I have a box full of lanterns too and no reasonable offers will be refused.

All items can be seen near I-40 and Route 801 Advance, NC.

Thanks, Larry
