APRIL 2025

APRIL 12, 2025

Easter at TLC Farm

Today was lot of fun!

We had an "egg-stremely" challenging cones course planned by Tommy. Barrett and Brayden timed everyone.

Riders led by Georgia and Paula and drivers directed by Tommy left for separate "egg-straordinary" trail rides. Splashes and laughs were enjoyed by all as folks clomped over a bridge and even a Fjord forded the water hazard! They switched sides of the road to finish the ride while searching for elusive golden eggs and puzzling out letters to enjoy a "Happy Spring". Delicious Advance Fire Department BBQ was served up by Tommy's family and everyone enjoyed some good food and fellowship afterwards. All of today's antics and accomplishments were captured by Bryan.

Georgia Taylor

Tommy & Karen Cope hosted this event with Georgia Taylor & Paula Patton planning the events. Thank you to Tommy & your whole family for all the hard work getting the farm ready to let us come play.

The day was quite cool and overcast compared to some of our previous days we have had but at least it didn't rain. We had 21 participants. Two new members and two renewing members. It also seemed like we had a ton of wonderful volunteers.

Tommy's cones course was a real doozie (as usual!) Tommy MAKES you drive your horse. I was lucky enough to navigate it twice once for Faith Bradshaw then for Pat Hauser. I really need to get Precious back in shape. Someone kick me in the pants please! After the carriages ran the course, the riders ran it. There was a trail drive/ride afterwards where we had to look for letters to make a two-word phrase and find the "Gold" eggs to win a prize.

Tommy & Karen supplied a wonderful lunch of BBQ from the Advance Fire Department.

Thank you, Tommy, Karen Georgia, Paula and all the volunteers who made today so much fun.

Tricia Hardy

Georgia passed on the link to the pictures Bryan took today. Hopefully the link I passed on works for everyone. There are some really great pictures.

Since the club is now back in action & growing, we should probably hold a board meeting with all the previous officers to discuss elections then hold a general meeting to elect a new set of officers.

A little birdy told me our next event will be at Pay Hauser's farm in May. More info to come as I receive it.
