DECEMBER 2025

PLANNED OR IMPROMPTU DRIVE/RIDE?

We planned a Ride/Drive for Saturday 12/6 and postponed it until Sunday 12/7 due to soggy ground. We ended up changing from an event with a lunch to a short drive/ride at Pat Huser's Riverview Farm. We had four carriages & four riders braving the 45-degree weather. Attending were Pat Hauser our host, Faith, Katie, Nancy, Paula, Georgia, Tommy and Tricia & Jeff. Pat took it pretty easy since Precious is so out of shape. She almost looked like a snowman she got so lathered up just walking! It's hell getting old! We are going to have to switch to my 2 wheeled cart instead of the Marathon. Jeff & I are getting old enough we can't handle the weight of marathon loading it on the trailer and Precious at age 23 I think would appreciate the lighter cart too. Georgia brought some banana nut muffins which were greatly appreciated. Faith was so hungry she was ready to eat grass!

I would like to apologize again to Cathy Mitchum for not having her on my WWDC e-mailing list after she joined in October so she received the above info so late.

Wishing everyone a Merry Christmas & a Happy New Year.

TRICIA & JEFF
