APRIL 2026

We had a great ride at Pat Hauser's farm on Thursday. The morning started about 9 am with coffee, muffins and camaraderie in the barn while our four legged companions chilled in the trailers. We tacked and hooked up in the beautiful sunshine and began our trail ride. Our riders included Kathy on Bojangles, Faith on Onyx, and Georgia on Juan. Pat drove his pretty Haflinger mare, Sugar with Tommy as his navigator. JC and Kathy were pulled by their firecracker, Bubba, and Nancy and her energetic Finn had a grand time as well. We traversed sandy river bottoms, cool green forests and dusty corn fields. We took several breaks (mostly for the humans!) and enjoyed the dark coolness

in a old vintage barn as our last little rest. We headed back to the barn (thank you, Juan for closing the gate behind us!!) and it was time for more food and fun. The horses lounged next to our trailers (Bubba got to relax in his shady trailer with a tasty hay net!) as we enjoyed chicken salad sandwiches, cold cuts, chips, brownies and cookies.

After we had our fill, a couple of possible future ride/drives were discussed. For May, the Dills' might host an event or Pat may contact Tanglewood for the possibility of a drive there. For June, the club will look into the possibility of a Blowing Rock adventure. Pat, JC and Faith will keep us updated on plans.

What a great day!!! Thank you, Pat and Susie for hosting us.

Thank you Georgia for supplying the pictures & story.

For anyone who has tried to contact Pat Hauser the email in past newsletters was missing the sr. I have corrected it on this newsletter & on the website.. It is rphausersr@aol.com
